The information provided assumes the purpose of the loan is to purchase a property, with a loan amount of \$120,000 and an estimated property value of \$150,000. The property is located in OH and is within Darke county. The property is an existing single family home and will be used as a primary residence.

An escrow (impound) account will not be established. The rate lock period is 45 days and the assumed credit score is 720. If an escrow account is required or requested, the actual monthly payment will also include amounts for real estate taxes and homeowner's insurance premiums.

Rates and margins may be higher based on credit scores or LTV.
